Address of Applicant's Locations in Darke County

Nature and Type of Services or Products Offered by Applicant

Applicant's Contact Person Information

Name _____ Address _____

Phone Number _____ E-mail Address _____

Applicant's Web Address for hypertext link

The Applicant understands and agrees that the Village of Versailles Website hypertext policy is subject to change at any time at the sole discretion of the Village without notice. No entity shall be permitted to have a hypertext link on the Village of Versailles Website without the express consent and approval of the Village Administrator. Only those requests for hypertext links that are in compliance with the Village's Website Hypertext Link Policy shall be authorized to have a hypertext link posted on the Village's Website. Only authorized Village personnel are permitted to create hypertext links on the Village's Website. The look and location of the hypertext link shall be within the sole discretion of the Village Administrator. The Village periodically reviews hypertext links on the Village's Website to confirm that such hypertext links are still active, accurate, and are consistent with the then existing Village policy regarding web hypertext links. The Village reserves the right to remove any hypertext link from its Website at any time for any reason without notice. The Village does not accept any responsibility keep hypertext links up to date and accurate. It is the sole responsibility of the Applicant to notify the Village if its hypertext link needs to be updated and to notify the Village if a hypertext

link is no longer active. Any non-active or inaccurate hypertext links will be removed from the Village's Website without notice. The Applicant agrees to release and hold the Village harmless from any liability for any errors or omissions in any hypertext web links and any damages incurred by the Applicant due to any errors or omissions in any hypertext links. The Applicant agrees to indemnify the Village from any claims, suits or damages brought by third parties as a result of the inclusion of a hypertext link on the Village Website to the Applicant's Website.

Applicant understands that the Village maintains its Website to provide information about the services provided by the Village and to encourage economic development in the Village and surrounding area. The Village allows the posting of hypertext links on the Village's website to promote goods and services provided by entities in the Village and surrounding area. The Applicant understands that hypertext links to the following types of Websites are prohibited on the Village of Versailles Website and represents and warrants that its hypertext link will not be to any of the following types of Websites:

1. Websites maintained by any political party;
2. Websites maintained by candidates for political office;
3. Websites maintained by any political action committees;
4. Websites to promote the enactment or defeat of any ballot issue;
5. Websites that are of a personal nature and/or individual personal home pages;
6. Websites that create or maintain web blogs;
7. Websites that contain any obscene material, indecent material or any material restricted to persons over the age of 18;
8. Websites of entities that do not have presence in Darke County or the Village of Versailles; or
9. Any Website deemed to be inconsistent with the purposes of this policy.

The undersigned acknowledges that that the Applicant has read and understands the release, wavier and indemnification language set forth herein and agrees to comply with and abide by the Village's policies with respect to the placement of hypertext links on the Village's websites.
