

### **Storm Policy**

The Versailles Swimming Pool has put into place a storm policy. The policy is as follows: At the first sign of thunder or lightning the pool will close down for 30 minutes. After 30 minutes of the last sighting of lightning or hearing of thunder the pool will reopen. If heavy rain moves in and the pool has to close down, we will open back up when it clears up within 30 minutes. We hope to keep the pool open longer this year after inclement weather. Our first priority is to insure the safety of your children with every decision that we make.
